## EMGOLD RAISES US\$450,000 THROUGH REAL ESTATE TRANSACTION

Emgold Mining Corporation (EMR: TSX-V) ("Emgold" or the "Company") is pleased to announce that it has raised US\$450,000 through the sale of 18 acres of land located in Nevada County, California. The sale decreases the land package owned by the Company related to the Idaho-Maryland Project from about 52 acres to 34 acres. The land sold is not required for the potential development of the Idaho-Maryland Project and was purchased by an adjacent property owner. Proceeds of the transaction will be used for general working capital.

David Watkinson, President of Emgold stated, "The proceeds from this sale provides financing for the Company in a tough equity market and is non-dilutive to our shareholders."

### About Emgold Mining Corporation

Emgold is a junior gold exploration and project development company that has several exploration properties located in the western U.S. and Canada. These include the Buckskin Rawhide East and West and Koegel Rawhide gold properties in Nevada, and the Stewart and Rozan poly-metallic properties in British Columbia.
