## EMGOLD CLOSES CDN \$250,000 PRIVATE PLACEMENT

**Emgold Mining Corporation** (the “Company” or “Emgold”) has closed Tranche 3 of a previously announced private placement (see July 11, 2014 press release) for gross proceeds of CDN\$250,000. The private placement involves the issuance of 5,000,000 units (“Units”) to Rawhide Mining LLC at a price of CDN\$0.05 per Unit. The private placement is the third and final tranche of a CDN\$1.0 million private placement that is part of a series of transactions related to the Company’s Buckskin Rawhide East Property. Each Unit consists of one common share (a “Share”) of the Company and one half of one non-transferable share purchase warrant (each full warrant, a “Warrant”). Each Warrant entitles RMC to purchase, for a period of 24 months, one additional Share at a price of CDN\$0.10. The Shares and any Shares issuable on the exercise of Warrants, are subject to a minimum hold period of four months plus one day, expiring November 19, 2014. No finder’s fees were paid as part of this private placement.

The proceeds of the private placement will be used for the acquisition of the remaining 25% of the Buckskin Rawhide East Property and for general working capital. The securities issued pursuant to the private placement have not been and will not be registered under the U.S. Securities Act of 1933 and may not be offered or sold in the United States absent registration or an applicable exemption from registration.
